IN THE MATTER OF THE COMPLAINT OF THE )  
INDIANA PAYPHONE ASSOCIATION FOR A )  
COMMISSION DETERMINATION OF JUST AND )  
REASONABLE RATES AND CHARGES AND )  
COMPLIANCE WITH FEDERAL REGULATIONS )

**CAUSE NO. 42303**

You are hereby notified that the Indiana Utility Regulatory Commission has, on this date, caused the following entry to be made:

Indiana Bell Telephone Company, Incorporated ("SBC Indiana") has filed its motion for the determination that certain portions of SBC Indiana's exhibits, prefiled testimony and work papers, are confidential, proprietary, competitively sensitive or trade secret, and exempt from public disclosure.

The presiding Administrative Law Judge, having reviewed this Motion, finds that SBC Indiana should be given interim confidential protection of the following information pending a final determination in this Cause:

- a. Confidential Information in Exhibits KAC-1 through 11, sponsored by SBC Indiana witness Dr. Kent Currie. These exhibits set forth cost study analysis and overhead loading factors that are similar to that protected in Cause No. 40830 and the docket entry dated March 10, 2003;
- b. The workpapers of Dr. Kent Currie, which set forth more detailed analysis of the cost studies cited in his testimony and exhibits. This information is similar to that already protected;
- c. Confidential Information contained in SBC Indiana's witness Helen Watkins prefiled testimony, page 26, 28, 29, 30, 37 and 38, which is denoted by "\*\*\*\*". This testimony contains Confidential Information from the cost study information in Dr. Currie's confidential exhibits and is similar to that already protected by previous docket entries in Cause No. 40830 and this Cause. This testimony also contains information obtained through discovery from the IPA, which the IPA considers confidential. Specifically, this information is the number of payphones IPA had in service from 1997 to 2002.
- d. Confidential Information in Exhibits HW-2 through 4, which discusses cost study analysis found in Exhibits of Dr. Currie, and payphones in service by IPA and SBC for the period of 1997-2002.

**IT IS SO ORDERED.**
